Subject: Concerns for future of net metering in NH (PUC Docket DE 22-060)

EXTERNAL: Do not open attachments or click on links unless you recognize and trust the sender.

Dear Governor Sununu,

cc: NH-PUC and NH-DOE

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I further understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate(OCA), and the NH Hydro Association.

I urge the PUC to accept this Settlement Agreement.

In Sunapee, I am a member of a local workgroup that is seeking to employ solar energy to reduce the operational costs at our municipal wastewater treatment facility. Whether it is this project in Sunapee or other solar installations across the state, clearly stated guidelines and fair net energy metering policies are paramount for successful implementation.

I am copying the PUC Clerk on this email to have my support for the Settlement Agreement entered into the docket.

Sincerely,
Jimmy Williams
Sunapee, NH
