**RE:** Docket No. DE 22-060 - Consideration of Changes to the Current Net Metering Tariff Structure, Including Compensation of Customer-Generators  
Corrected filing – joint party responses to Commission inquiries

Chairman Goldner:

Yesterday, certain parties (“Responding Parties”) to this docket filed responses to the Commission inquiries issued on April 24. A mistake was discovered with pages 8 and 9 – a table was represented incorrectly. The filing attached to this letter has corrected pages 8 and 9, with the proper tables and corresponding labeling, and should replace yesterday’s filing in its entirety. No other changes have been made to these responses.

Consistent with current Commission policy this filing is being made electronically only; paper copies will not follow. I sincerely apologize for any confusion or additional effort required to address this inadvertent error. If you have any questions, please contact me, and thank you for your assistance in addressing this oversight.

Regards,
