Re: DE 22-060 Consideration of Changes to the Current Net Metering Tariff Structure,
Including Compensation of Customer-Generators
Corrected compliance tariff filing

Chairman Goldner:

The Commission issued a procedural order on December 3, 2024 noting that the compliance tariff filing that Public Service Company of New Hampshire d/b/a Eversource Energy filed on November 27 was missing a clean version of 1st Revised Page 24A, and directed the Company to refile the entirety of the compliance tariff with the inclusion of the missing clean page. Accordingly, the Company provides the following tariff pages, in clean and redlined format, as a corrected filing:

NHPUC No. 10 - Electricity Delivery
Public Service of New Hampshire dba Eversource Energy

1st Revised Page 24A, 24B, 25C
Original Page 24D

Consistent with current Commission policy, this filing is being made electronically only. Thank you for your attention regarding this matter, and apologies for the inadvertent error.

Sincerely,

/s/Edward A. Davis
