**RE:** Docket No. DE 22-060 - Consideration of Changes to the Current Net Metering Tariff Structure, Including Compensation of Customer-Generators  
Joint party request to postpone hearings for additional time for settlement negotiations;  
request for additional hearing time

Chairman Goldner:

The parties to this docket that have actively been participating in settlement discussions: Public Service Company of New Hampshire d/b/a Eversource Energy; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty; Unitil Energy Systems, Inc.; the New Hampshire Department of Energy; the Office of the Consumer Advocate; Conservation Law Foundation; Clean Energy New Hampshire; Granite State Hydropower Association; Standard Power of America; Walmart Inc.; and the Community Power Coalition of New Hampshire (collectively the "Parties") have conferred on party availability for hearings in this docket, and have common availability on the following days: May 16; May 17; June 4; June 18; June 19; and June 20. Given the challenge of coordinating the schedules of this many parties with the availability of the Commission, the Parties felt it best not to wait until the April 11, 2024 prehearing conference to present these times to the Commission.

Consistent with current Commission policy this filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me; thank you for your assistance.
