**Re: DE 22-060, Consideration of Changes to the Current Net Metering Tariff Structure,
Including Compensation of Customer-Generators
Clean Energy NH Petition to Intervene**

Dear Chair Goldner,

This letter requests the withdrawal of Clean Energy NH's (CENH) previous petition to intervene in Docket No. DE 22-060 filed on November 21 and the replacement with the attached petition to intervene. This new petition clarifies some deficiencies in the original filing.

If CENH's petition is accepted, please include Sam Evans-Brown (Sam@cleanenergynh.org) and Chris Skoglund (Chris@cleanenergynh.org) on the Service list for this Docket.

Thank you for your consideration of this petition and please feel free to contact me if any questions arise.

Sincerely,

Sam Evans-Brown
Executive Director
