

THE STATE OF NEW HAMPSHIRE
BEFORE THE PUBLIC UTILITIES COMMISSION

Docket No. DE 22-060

Consideration of Changes to the Current Net Metering Tariff Structure,
Including Compensation of Customer-Generators

CONSUMER ENERGY ALLIANCE
PETITION TO INTERVENE

Pursuant to the Commission's Order of Notice, issued on September 20, 2022, N.H. Admin. Rules, Puc 203.17, and in accordance with the standards of RSA 541-A:32 (I)b, Consumer Energy Alliance ("CEA") respectfully submits this Petition for Intervention in the above-referenced docket for the following reasons:

1. CEA is a national non-profit organization comprised of energy producers and consumers—including several with New Hampshire operations-- looking to advance all-of-the-above energy policies that deliver affordable, reliable and environmentally responsible energy to families and businesses.
2. CEA has actively participated in discussions and proceedings regarding the future of net metering at the federal and state levels - including New Hampshire, Nevada, Oklahoma, Maine and Florida.
3. CEA has been an active participant in the public discourse regarding New Hampshire's net metering future including discussions on New Hampshire's House Bill 1116 and as an intervenor in NH PUC Docket DE 16-576.
4. CEA's participation in this docket is in the interest of justice and would not disrupt the orderly and prompt conduct of this proceeding. If granted intervenor status, CEA will abide by the Commission's rules and procedural schedule developed in this docket and make every effort to work collaboratively with the Staff and other parties.

WHEREFORE, Consumer Energy Alliance respectfully requests that it be granted full intervenor status for this proceeding.

Respectfully submitted,

Marc Brown
Vice President, State Affairs
Consumer Energy Alliance
