**Consideration of Changes to the Current Net Metering Tariff Structure, Including
Compensation of Customer-Generators**

Procedural Order Re: Motions to Intervene

A Supplemental Order of Notice was issued on November 18, 2024, and set a deadline of January 2, 2025 for interested individuals or entities to petition to intervene in the next phase of this on-going docket. Three companies, Bright Spot Solar, LLC, Kearsarge Solar, LLC, and ReVision Energy, Inc. filed petitions by the deadline, outlining their interest and the potential effects the proceeding would have on their respective businesses. No objections to any petition were filed.

The standard for intervention is found at N.H. Code of Admin. R. Puc 203.17, which incorporates the standard found in RSA 541-A:32. Under RSA 541-A:32, II, the Commission may grant intervention if the Commission determines that the interests of justice and the orderly and prompt conduct of the proceedings would not be impaired. Each of the petitioners is involved in the solar industry in New Hampshire and represents that it can provide additional perspective on matters than the existing parties to this docket. Based on the representations in their petitions, the Commission finds that their participation is in the interest of justice and would not harm the orderly and prompt conduct of the proceedings. Therefore, the Commission grants the three petitions pursuant to Puc 203.17 and RSA 541-A:32, II.

So ordered, this thirteenth day of January, 2025.
