Procedural Order Re: Request to Amend Procedural Schedule

On January 13, 2023, the Commission approved a procedural order in this docket which, among other things, scheduled a technical session between the parties for March 14, 2023. On March 13, 2023, Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty (Liberty) requested that the Commission amend the approved procedural schedule by moving this technical session to March 31, 2023, from 9:00 a.m. to 12 p.m., due to scheduling conflicts. Liberty noted that this change will not affect the remaining events in the procedural schedule. Liberty further represented that the Conservation Law Foundation, Terry Clark, and the New Hampshire Department of Energy (DOE) have assented to this request. Although Liberty has contacted the Office of the Consumer Advocate (OCA) to obtain its position, the OCA has not responded. The Commission approves Liberty's request, and amends the procedural schedule to move the March 14, 2023 technical session date to March 31, 2023, from 9 a.m. to 12 p.m.

So ordered, this thirteenth day of March, 2023.
