Re: Request for Approval of Wilton Community Power Plan

Dear Chair Goldner,
Attached please find the Wilton Community Power Electric Aggregation Plan for a review and approval by the Commission pursuant to RSA 53-E:7.

This Plan was developed by the Wilton Community Power Committee and adopted by majority vote at the Town Meeting, its legislative body, on March 10, 2022. The plan was then amended in October 2022 to better address questions of data security as well as updates to align with the PUC 2200 rules for Community Power. This amended Plan is being submitted prior to approval by the Select Board, which is the Town of Wilton's governing body.

Nick Germain, Town Administrator, (wiltonta@wiltonnh.gov, (603) 654-3299, Town Hall, 42 Main Street, P.O. Box 83, Wilton, NH 03086) is the municipal employee who is the official liaison for questions about the approved or revised plan and who is authorized to request information from utilities under these rules. Patrick Roche (patrick@goodenergy.com, 232 Madison Ave, New York, NY, 10016, 617-202-0797) is the authorized agent to request data pursuant to Pursuant to 2204.03. The Community Power program does not yet maintain a website beyond that for the Community Power Committee (https://www.wiltonnh.gov/government/boards_and_committees/community_power_aggregation_committee). Wilton will provide the URL of the Community Power program website when it creates such a website.

The Town is providing copies of this plan on the same day as this submission to the Office of the Consumer Advocate, the NH Department of Energy, and Eversource, which is the electric distribution utility serving the Town of Wilton, should they wish to comment on the plan. Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

Nick Germain
Town Administrator
