Request for Waiver of Rule Regarding Short Term Debt Limits

Adjustment to Procedural Schedule

Dear Chairman Goldner:

On November 30, 2022, the Commission issued a procedural order approving a proposed schedule in the above-captioned docket. The schedule included a technical session scheduled for January 12, 2023, at 10:00 a.m.

Subsequent to this approval, the Commission scheduled a prehearing conference in another matter which requires the presence of the Department's water group on the morning of January 12, 2023. Therefore, the parties have agreed to meet at 2:00 p.m. the same day, January 12, 2023, for the technical session scheduled for the above-captioned docket.

The purpose of this letter is to inform the Commission of this minor change to the schedule, required by a subsequent procedural order by the Commission.

Sincerely,

/s/ Suzanne G. Amidon
