Re: Docket No. IR 22-076, Investigation of Whether Current Tariffs and Programs are Sufficient to Support Demand Response and Electric Vehicle Charging Programs

Dear Chairman Goldner,

As stipulated in the Order of Notice issued in the above referenced docket on November 15, 2022, FreeWire Technologies hereby submits this letter to express its interest and intent in participating in this docket.

In the November 15, 2022 Notice, the email address for the Commission's Clerk's Office was provided as ClerksOffice@puc.nh.gov. The erroneous spelling of "office" and our oversight of such, due to copy and paste, has resulted in there being no record of receipt of our request to participate in this docket, which we originally attempted to file by the December 20, 2022 deadline.

Accordingly, we respectfully submit this out-of-time request to be added as a participant to this docket and added to the service list. Thank you and please contact me with any questions.
