**Re: *New Hampshire Electric Cooperative, Inc. - Petition for Waiver of Portions of Puc 2200 Rules***

Dear Chairman Goldner:

Enclosed for filing with the New Hampshire Public Utilities Commission on behalf of New Hampshire Electric Cooperative, Inc. ("NHEC") is a petition requesting a waiver, or temporary waiver, from portions of the Municipal Aggregation Rules. In Order No. 26,707 (October 18, 2022) in DRM 21-142, the Commission denied a request for a waiver from the Puc 2200 rules on the basis that such a waiver should not be considered in the context of a rulemaking docket. Based on this Order, NHEC is filing this Petition with the understanding that the Commission will open a new docket to consider its waiver request.

Thank you for your assistance.

Sincerely,
