The Department of Energy, Community Power Coalition of New Hampshire, Colonial Power Group, Inc., and New Hampshire Electric Cooperative, Inc. (“NHEC”) would respectfully propose the following schedule:

March 10, 2023 – deadline for data requests to NHEC

March 24, 2023 – deadline for NHEC responses to data requests

March 31, 2023 (9AM – 11AM) - virtual technical session to discuss responses to data requests

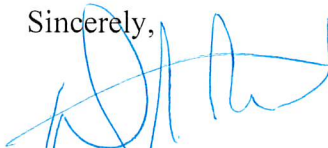

April 4, 2023 – follow-up data requests to NHEC

April 11, 2023 – responses from NHEC to follow-up data requests

April 14, 2023 – the parties file a status update with the Commission with either a recommended remaining schedule or a recommended resolution of the docket.
