**Re: DE 22-080 - New Hampshire Electric Cooperative, Inc. - Petition for Waiver of Portions of Puc 2200 Rules – Status Update**

Dear Chairman Goldner:

The Procedural Order issued by the Commission in the above-captioned docket on February 21, 2023 included in the procedural schedule a deadline of April 14, 2023 for the filing of a status update. The New Hampshire Electric Cooperative Inc, the Department of Energy and Colonial Power, and Community Power Coalition of New Hampshire (hereinafter “the Parties”) are therefore hereby updating the Commission as to where we stand in this docket.

We have conducted discovery and held a technical session. Based on the exchange of information and the discussions, we believe we can come to an agreement on how to resolve the docket. We therefore respectfully request that the Commission establish a deadline of May 8, 2023 for the submission of a written settlement agreement in this docket. The Parties also intend to advise the Commission at that time whether we believe a hearing will be necessary.

Please let us know if you have any questions. Thank you for your assistance.

Sincerely,

Douglas L. Patch
