**Re: Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty  
Change to the Energy Efficiency Portion of the Local Distribution Adjustment Charge**

Dear Chairman Goldner:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty (the "Company") as it relates to the Company's December 1, 2022, Change to the Energy Efficiency Portion of the Local Distribution Adjustment Charge filing, I enclose for replacement the Company's clean and redlined tariff pages 1-4, 34, 87-89, and 101.

Please disregard the tariff pages submitted on December 1, 2022. While there were no changes to tariff language or rates in the original filing, there were errors and inconsistencies in some of the revision numbers and authoritative sources in the footers.

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/Craig A. Holden
