**Re: DE 22-081; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Resubmission of Compliance Tariff dated January 5, 2023, rates effective January 1, 2023
2023 Adjustments to the Energy Efficiency Portion of System Benefits Charges and Local
Distribution Adjustment Charges**

Dear Chair Goldner:

On January 5, 2023, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty ("Liberty" or the "Company") submitted a compliance tariff filing pursuant to the New Hampshire Public Utilities Commission (the "Commission") Order No. 26,745 (Dec. 14, 2022) in Docket No. DE 22-081 (Order *Nisi* Approving Requests to Modify Energy Efficiency Portion of System Benefits Charges and Local Distribution Adjustment Charges).

On February 2, 2023, the Commission issued *Procedural Order Re: Liberty's Compliance Tariff Filings* in Docket Nos. DE 22-052 and DE 22-081 directing Liberty to resubmit, in both dockets, redlined versions of each of the tariff pages submitted in these filings.

The Company resubmits clean and redlined compliance tariff pages in Docket No. DE 22-081 to ensure correct page revision designations. This filing replaces the Company's January 5, 2023, compliance tariff filing in Docket No. DE 22-081 in its entirety. This includes the following:

- Fourth Revised Pages 22 and 23
- Fifteenth Revised Page 126
- Sixteenth Revised Page 127

Liberty appreciates the time and effort involved by the Tariff Administrator and the Department of Energy in ensuring that the tariff pages are accurate. Please don't hesitate to contact me if you have any questions.

DE 22-081
