Dear Chairman Goldner:

In response to the New Hampshire Public Utilities Commission's letter of non-compliance dated March 15, 2023, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty submits this cover letter with an electronic copy of its tariff page according to NHPUC Order No. 26,745 *Nisi* in Docket No. DE 22-081, dated December 14, 2022. Specifically, the enclosed, revised Fourth Tariff Page 23 corrects the value for the Lost Revenue Mechanism in the Company's February 13, 2023, compliance tariff filing. In addition, the Company has corrected the docket number referenced in the footer of Fourth Revised Pages 22 and 23 and has changed the issued date accordingly.

Please do not hesitate to contact me with any questions. Thank you.

Sincerely,
