Re: DW 22-082 – Residents of Colonial Drive  
Receivership Complaint - Recorded Declarations and Acceptances

Dear Chairman Goldner:

Pursuant to the Commission's temporary filing requirements dated March 17, 2020, please accept this update on the residents' progress toward establishing a fully functioning homeowners association. Attached for the Commission's records are fully executed and recorded individual Declarations and Acceptances which bind the Colonial Drive Homeowners Association's Declarations of Covenants and Restrictions to the individual residents' lots. The residents believe the recorded individual Declarations and Acceptances are further proof that the homeowners association has the requisite managerial and legal expertise and that transfer of the Agape Community Church sewer assets to the homeowners association is in the public interest. Thank you for the Commission's consideration.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
