**RE: Unitil Energy Systems, Inc.
Compliance Tariff Filing: Light Emitting Diode ("LED") Outdoor Lighting Service
Docket No. DE 22-083**

Dear Chairman Goldner:

On June 2, 2023, the New Hampshire Public Utilities Commission issued Order No. 26,838 approving Unitil Energy Systems, Inc.'s tariff filing made on April 3, 2023, effective August 1, 2023. These tariffs are now being resubmitted with the required annotation at the bottom of each tariff page:

- Page 1, Table of Contents to Tariff No. 3
- Page 28, Terms and Conditions For Distribution Service.
- Page 60, Schedule OL
- Pages 63-C through 63-K, Schedule LED-1
- Pages 63-L through 63-U, Schedule LED-2

Redline versions are also included with this filing. Consistent with the presentation made in the April 3, 2023 tariff filing, the redline for Schedule LED-2 is a mock-up of Schedule LED-1, which shows changes compared to Schedule LED-1.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Matthew C. Campbell".

Matt Campbell
Attorney for Unitil Energy Systems, Inc.
