UNITIL ENERGY SYSTEMS, INC.

Proposed Purchase of Receivables Program

Procedural Order Re: Motion to Amend Procedural Schedule

On May 9, 2023, Unitil Energy Systems, Inc. (UES) filed a motion to amend the procedural schedule in this docket by extending the deadline for UES to respond to technical session data requests from May 12, 2023 to May 19, 2023. All parties assented to this request. However, Community Power Coalition of New Hampshire (CPCNH) also indicated to UES that it would prefer that the Commission extend all other deadlines in this docket by one week. As all parties assent to UES's request to extend the data request response deadline to May 19, 2023, the Commission GRANTS UES's motion to amend the procedural schedule to reflect that new date. If CPCNH desires any additional amendments to the procedural schedule, it can seek that relief by its own motion.

So ordered, this ninth day of May, 2023.
