

**Docket No. 23-003**  
**Liberty POR Implementation Timeline: Schedule 1**  
Assuming All Electric Service Supplier Agreements ("ESSA") Are NOT Returned

<b>Action</b>	<b>Date</b>	<b>Days Elapsed</b>
Commission approval. Order No. 28,105	Friday, February 21, 2025	
Tariff Effective Date ("TED")	Saturday, March 1, 2025	
Liberty to distribute ESSA to Suppliers and provide notification that (1) any Supplier that does not return a signed ESSA by the deadline, will not be allowed to enroll new customers after the deadline, and (2) their customers will be returned to Liberty default supply during the billing period preceding POR implementation.	Tuesday, March 11, 2025	10
Liberty to file initial DPR and payment date for Commission approval.	Monday, March 31, 2025	30
Due date for signed ESSAs from Suppliers.	Thursday, April 10, 2025	40
Liberty to inform Commission whether it will proceed with Schedule 1 or Schedule 2	Monday, April 21, 2025	51
Liberty to send notification to the Suppliers not returning an ESSA by the deadline, confirming that they will not be allowed to enroll new customers and that their customer(s) will be dropped from their pool during the billing period preceding POR implementation.	Thursday, April 24, 2025	54
Liberty to submit notifications to the customers of Suppliers not returning the signed ESSA that they will be returned to Liberty's default supply service during the monthly billing period preceding POR implementation. Suppliers can avoid Liberty submitting these customer notifications by returning a signed ESSA prior to their release, which provides Suppliers nearly a month to remedy its non-compliance with the tariff.	Thursday, May 8, 2025	68

**Docket No. 23-003**

**Liberty POR Implementation Timeline: Schedule 1**

Assuming All Electric Service Supplier Agreements ("ESSA") Are NOT Returned

On or about this date, Commission approval of initial DPR and payment date would be expected.	Friday, May 30, 2025	90
Liberty to begin returning customers of Suppliers that did not return a signed ESSA to default supply. This would provide customers roughly two months from notification by Liberty to shop for alternative Suppliers, depending on their respective meter reading days.	Monday, July 7, 2025	128
POR implementation. Suppliers with a signed ESSA and their customers will be moved from Consolidated Billing Service to Consolidated Billing Service with POR	Wednesday, August 6, 2025	158
In accordance with Puc 2205.05 New Utility Service Customers, Liberty to send the CPAs updated default service lists of customers, so they may give that customer the option to opt out of the applicable aggregation program.	Wednesday, August 13, 2025	165
Liberty to pay Suppliers for any existing accounts receivable of customers billed through the Company's Consolidated Billing Service, at the applicable DPR.	Friday, September 5, 2025	188
