RE: Docket No. DE 23-004, Public Service Company of New Hampshire
d/b/a Eversource Energy - Proposed Purchase of Receivables Program
Request for Extension of Settlement Agreement Filing Deadline

Dear Chairman Goldner:

Public Service Company of New Hampshire d/b/a Eversource Energy, together with the Department of Energy and the NRG Retail Companies, respectfully request that the Commission approve an extension of the deadline for filing a settlement agreement until September 13, 2023. The Community Power Coalition of New Hampshire has not yet responded to requests for clarification of its position on this request.

The parties have had continuing and productive settlement discussions but have not yet been able to finalize their settlement agreement with respect to a material issue and would prefer not to defer resolution of that issue. The proposed new filing deadline is still not less than five days prior to the scheduled hearing, consistent with N.H. Code Admin. Rule Puc 203.20(e).

Accordingly, the above-named parties respectfully request that the Commission modify the procedural schedule by extending the settlement agreement filing deadline until September 13, 2023.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
