RE: The Hampstead Area Water Company, Inc. – DW 23-020  
Request to correct scrivener's error in Order No. 26,902

Dear Chairman Goldner:

While reviewing the New Hampshire Public Utility Commission's Order No. 26,902 in Docket No. 23-020 issued November 8, 2023, the Company noticed a scrivener's error on page 12. In the table at the top of the page, under Step I for the 2-inch meter monthly charge, it shows "\$150.91." However, on page 3 of the same order and on page 3 of Order No. 26,809 in Docket No. DW 20-117, the monthly charge for a 2-inch meter is \$150.93, which is the correct number. The Company requests the Commission to amend Order No. 26,902 at page 12 to change the monthly charge for a 2-inch meter from "\$150.91" to "\$150.93."

Consistent with the Commission's Temporary Changes in Filing Requirements (March 17, 2020) due to the COVID-19 state of emergency, the Company will not file any paper copies.

Should you have any questions, please don't hesitate to contact me.

Very truly yours,

/s/ Anthony Augeri
