**Re: DE 23-021 Petition for Approval of Change in Regulatory Reconciliation Adjustment Mechanism Rate; Corrected Compliance Tariff Page Effective August 1, 2023**

Dear Mr. Goldner:

On August 11, 2023, Eversource Energy submitted tariff pages to comply with the Commission's Order No. 26,863 in Docket No. DE 23-021 (Order Approving a New Regulatory Reconciliation Adjustment Rate). Eversource requests that 4<sup>th</sup> Revised Page 4 of that filing be withdrawn and replaced with 3<sup>rd</sup> Revised Page 4 filed herewith.

Page 4 is a non-substantive Table of Contents page and is being filed to insert a new rate schedule reference for Rate EV-2. We have also corrected the original authorization that is shown on 2<sup>nd</sup> Revised Page 4 so that it reflects the correct Order and Docket Number when Rate R-OTOD 2 was introduced in Docket No. DE 21-119. The authorization section now includes an accurate reference to DE 21-119 for Rate R-OTOD 2 and DE 21-078 references for Rate EV-2.

A red-lined tariff page denoting the changes has been submitted for easy identification of the changes.

Please let me know if there are any questions related to this filing.

Very truly yours,

*Scott R. Anderson*
