Re: DE 23-022 Exhibit II Education and Outreach Plan update to remove condition of Plan approval

Dear Chairman Goldner,

The Jaffrey Community Power Plan was approved in Order No. 26,811 subject to the following condition (emphasis added):

*"As such, we condition approval of Jaffrey's Plan on its Education and Outreach Plan clearly communicating that **participants' exit from the program will be subject to reasonable notice to the distribution utility and may only occur after the next meter read, consistent with Puc 2204.05(g).**"*

Jaffrey takes customer notification very seriously and has moved to remedy this condition by adding the highlighted language verbatim to the first paragraph in Exhibit II, and in the list of items to be included in the opt-out letter for eligible customers, see attached update with changes indicated. In addition, while not required by the Commission in its order, Jaffrey will review the language referenced from the Plan itself to remove any chance of customer misunderstanding on this point.

This notification is being sent at the same time to the department of energy, office of the consumer advocate, and Eversource, the distribution utility serving Jaffrey, as required under Puc 2204.01(g).

Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

Jon Frederick
Town Manager
