TOWN OF NEW BOSTON

Request for Approval of New Boston Community Power Plan

Order Regarding Conditional Approval of Plan

O R D E R N O. 26,835

May 31, 2023

The Commission approved the Town of New Boston's (New Boston) Community Power Electric Aggregation Plan (Plan) subject to the condition that its Education and Outreach Plan clearly communicate that participants' exit from the Plan would require reasonable notice to the electric distribution utility, consistent with New Hampshire Code of Administrative Rules, Puc 2204.05(g). *See* Order No. 26,812 (May 2, 2023). On May 18, 2023, New Boston submitted a filing stating that it had made this change to its Education and Outreach Plan. New Boston also highlighted that existing language in the "Rate Setting and Other Costs to Participants" section of the Plan addresses the opt-out notice process. After reviewing New Boston's May 18 filing, the Commission has determined that New Boston has satisfied the condition of Order No. 26,812.

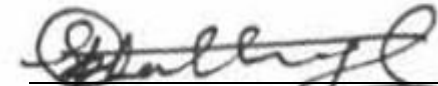

Based upon the foregoing, it is hereby

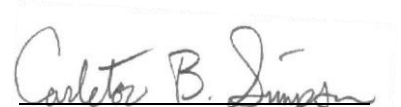

ORDERED, that the condition contained in Order No. 26,812 is satisfied by New Boston's May 18 filing; and it is

FURTHER ORDERED, that Order No. 26,812 is modified accordingly.

By order of the Public Utilities Commission of New Hampshire this thirty-first
day of May, 2023.
