Concord, NH 03301

Re: Request for Approval of Lee Community Power Plan

Dear Chairman Goldner,

Attached please find the Lee Community Power (Electric Aggregation) Plan for review and approval by the Commission pursuant to RSA 53-E:7. The Lee Community Power Plan was approved by the Lee Select Board, the Town's governing body, on January 23, 2023.

The plan is being submitted for Commission review and approval prior to being submitted to the Town's legislative body for approval as allowed under Puc 2204.01(a). Once the plan has been approved (or rejected) by the legislative body, the Town will notify the commission, department of energy, office of the consumer advocate, the distribution utility serving Lee, Eversource, and the New Hampshire Electric Coop, also serving customers in Lee, of such final plan approval or rejection, as required under Puc 2204.01(g).

The municipal employee who is the official liaison for questions about the approved or revised plan and who is authorized to request information from utilities under these rules is:

**Denise Duval, Assistant Town Administrator, Town of Lee, 249 Calef Highway, Lee, NH 03861, (603) 659-5414 x301, [dduval@leenh.org](mailto:dduval@leenh.org).**

The Town does not maintain a dedicated website outside the Community Power Committee page on the Town website: <https://www.leenh.org/energy-committee-and-community-power-committee>. The Town will notify the Commission if such a website is created, as required under Puc 2203.01(e).

The Town is providing copies of this plan on the same day as this submission to the Office of the Consumer Advocate, the NH Department of Energy, the distribution utility Eversource, and the New Hampshire Electric Coop, should they wish to comment on the plan. Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

*Denise A. Duval*

Denise A. Duval  
Assistant Town Administrator
