**Re: DE 23-026 Electric Distribution Utilities Potential Jurisdictional Conflicts Related to
Authorization of Pilot Programs Under RSA 362-A:2-b**

Dear Chairman Goldner:

Pursuant to the July 19, 2023 Procedural Order of the New Hampshire Public Utilities Commission (“Commission”), the Community Power Coalition of New Hampshire (“CPCNH”) files this status update to propose the following dates for rescheduled oral arguments in Docket No. DE 23-026: August 24, August 29, or September 14, 2023.

On July 19, 2023, CPCNH filed a Motioned for Continuance of oral arguments originally scheduled for July 20, 2023 due to an unforeseen medical emergency. The Commission granted the motion, asking the parties to coordinate and file a status update proposing three dates falling on either a Tuesday, Wednesday, or Thursday that appear open on the Commission’s calendar for rescheduled oral arguments. After conferral and agreement with all parties in this proceeding, the parties concur in proposing Thursday, August 24; Tuesday, August 29; or Thursday, September 14, 2023.

Consistent with current Commission policy, this letter is being filed only in electronic form. Thank you for your assistance in this matter.

Sincerely,

/s/ Michael Postar
