RE: Docket No. DE 23-026, Potential Jurisdictional Conflicts Related to
Authorization of Pilot Programs Under RSA 362-A:2-b
Request for Approval of Remote Appearance by Outside Counsel

Dear Chairman Goldner:

On behalf of Public Service Company of New Hampshire d/b/a Eversource Energy, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty, and Unitil Energy Systems, Inc. (collectively, the "Joint Utilities"), and the Community Power Coalition of New Hampshire ("CPCNH"), permission is requested for outside counsel for the Joint Utilities and CPCNH to appear remotely at the oral argument session rescheduled for September 14, 2023 at 9:00 a.m.

Attorney Jennifer Key of Steptoe & Johnson for the Joint Utilities and Attorneys Michael Postar and Gelane Diamond of Duncan, Weinberg, Genzer, Pembroke, P.C. for CPCNH are all based in Washington, D.C., and it would be both inconvenient and expensive for them to attend the oral argument session in-person. Other representatives of the Joint Utilities and CPCNH who are based in New Hampshire plan to attend the oral argument session in person.

The Joint Utilities and CPCNH do not believe that any other party objects to remote appearance by the three outside counsel at the oral argument session.

Consistent with current Commission policy, this filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.

Sincerely,

/s/ David Wiesner
