**Re: Docket No. DE 23-035; Liberty Utilities (Granite State Electric) Corp.  
2022 Annual Storm Fund Report**

Dear Chairman Goldner:

In its August 3, 2023, Procedural Order in this docket, the Commission stated that "the DOE is requested to file an audit report and its recommendation on or before November 30, 2023, and Liberty shall notify the Commission whether additional process and/or a hearing will be required on or before December 18, 2023."

In its November 30, 2023, cover letter that provided the audit report to the Commission, DOE stated that, "if the Commission accepts DOE's recommendations regarding adjustment of the 2022 Storm Fund expenses and the related [Major Storm Fund] balance as of December 31, 2022, no further process is necessary, and the docket may be closed."

On behalf of Liberty Utilities (Granite state Electric) Corp., I write to inform the Commission that Liberty has received and reviewed the DOE's audit report, that Liberty agrees to make the adjustments recommended in the audit report, that Liberty has no objection to the Commission accepting DOE's recommendations, and that Liberty thus agrees with DOE that no further process or hearing will be required in this docket.

Thank you.

Sincerely,
