I have a public comment on docket # DE 23-039, Liberty Utilities plan to raise distribution rates. As a Liberty Utilities customer, I do not think this rate hike should be approved. Liberty Utilities offered no justification for the rate hike other than the fact that they want to increase revenue. The rate hike would be substantial, causing average households hundreds of dollars a year in added costs. I do not think Liberty has made a sufficient case as to why they need to increase rates.
