**Re: Docket No. DE 23-039; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Request for Change in Distribution Rates**

Dear Chairman Goldner:

On June 9, 2023, Liberty filed its Rate Case Executive Summary as the Commission requested in Order No. 26,829 (May 26, 2023) ("Liberty shall provide an executive summary of its requests to the Commission ... at the June 15, 2023, prehearing conference. Powerpoint slides pre-filed by June 9, 2023 are requested." Order No. 26,829 at 7. Since that filing, the Company discovered several minor errors in the document.

Therefore, on behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp., attached please find the *Revised* Rate Case Executive Summary. The corrections were as follows: (1) on page 13, "Critical Peak" was changed to "Off Peak;" (2) on page 14, the \$129 million forecasted throughout the MYRP was changed to \$89 million; (3) on page 21, minor changes were made to the header formatting; and (4) on page 22, the Earnings Sharing Mechanism table was updated to reflect the testimony.

Sincerely,

A handwritten signature in black ink, appearing to read 'M Sheehan', written in a cursive style.

Michael J. Sheehan
