**Community Power Coalition of New Hampshire Corrected Filing and Request
for Service List Change**

Dear Chair Goldner,

It has come to my attention that the attachments to my testimony filed on 12/13/23 at tab 92 in the docket book for this matter only includes the cover page with an index of the attachments and is missing the actual attachments. Although the procedural schedule in this matter is currently suspended, we would appreciate it if you could file the attached complete attachment PDF that I originally prepared and intended to file on 12/13/23.

Also, please add and remove the following persons to the docket and discovery service lists in this matter:

Please add:

Deana Dennis – Deana.Dennis@CommunityPowerNH.gov

Please remove:

William Baber – W.Baber@dover.nh.gov

Consistent with the Commission's current practices, this letter is being filed only in electronic form and copied to the current service list.

Yours truly,

A handwritten signature in black ink that reads "Clifton Below".
