DEPARTMENT OF ENERGY

Daniel C. Goldner, Chairman
New Hampshire Public Utilities Commission

Concord, NH 03301

Re: DE 23-039 Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Request for Change in Distribution Rates – DOE Renewed Request for Record
Request

Dear Chairman Goldner:

On February 22, 2024, the Commission issued Order No. 26,952 Granting Company's Motion for Additional Process and Stay, Deferring Final Ruling on Motion to Dismiss, and Conditionally Approving Company's Proposed Interim Procedural Schedule with Modifications in the above-captioned docket. The Commission's Order, among other things, requested that Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty ("Liberty") expand the scope of its planned report from PricewaterhouseCoopers International Limited ("PwC") to include 2023 data.

On March 5, 2024, the Department of Energy ("Department") filed a Correction of Misstatement and Motion for Clarification of Order No. 26,952 and Request for Record Request. In that filing, the Department requested that the Commission issue a Record Request for all correspondence between Liberty and PwC to date concerning the PwC project, including a copy of the signed engagement, engagement plan, and any other contract(s) and an identified, detailed scope.

On March 15, 2024, Liberty filed a response to the Department's Motion for Clarification of Order No. 26,952, including an amended scope of work from PwC (*See Response to DOE Motion, Attachment 1*, March 15, 2024).

As the Department has requested the above referenced documents and information related to the initial scope of work, and the Company has now filed an *amended* scope of work, the Department files this letter to renew our request that the Commission issue a Record Request for *all* correspondence between Liberty and PwC to date concerning the PwC project, including a copy of the signed engagement, engagement plan, and any other contract(s) and identified, detailed scope.

Consistent with current Commission policy, this letter and enclosures are being filed only in electronic form. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Matthew C. Young". The signature is written in a cursive style with a prominent flourish at the end.
