RE: Docket No. DE 23-043, Public Service Company of New Hampshire
d/b/a Eversource Energy 2023 Energy Service Solicitation
Eversource Filing of Wholesale Market Price Comparison Table

Dear Chairman Goldner:

Pursuant to Order No. 26,851 (June 22, 2023), as modified by procedural order issued on July 27, 2023 in the above-referenced docket, Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) hereby submits confidential and redacted versions of summary comparison tables, in the format specified by the Commission, that show October 2023 monthly average ISO New England market electricity prices and other wholesale load cost components as compared with the power supply charge components of the energy service rate for Eversource’s Small Customer Group.

Please note that the unredacted version of the summary comparison tables includes confidential information regarding monthly wholesale contract prices and forecasted retail loads, as related to default service supply procurement, that is not publicly disclosed in connection with Eversource’s energy service rate filings in either this or any previous docket, pursuant to Puc 201.06(a)(15).

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
