Request from: New Hampshire Public Utilities Commission

Witness: Littlehale, Parker

Request:

Please validate the information below providing source information for any changes. For Forecasted Load, please ensure the information is sourced from the initial filing determining August 2023 - Jan 2024 rates.

Response:

The table provided by the Commission on April 1, 2024 included actual small customer load (rather than forecasted wholesale load) for August 2023 – January 2024. The Company has recreated the table provided by the Commission in Attachment RR-001 and included only forecasted wholesale load, sourced to DE 23-043 Attachment LJL-3 Bates Page 27.

All other data points are validated.
