Re: **DE 23-044; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
2023 Default Service Solicitations**

Dear Chairman Goldner:

Enclosed for filing in the above matter please find the *Direct Testimony of John D.
Warshaw and Christopher Green*, with attached schedules, and the *Technical Statement of
Tyler Culbertson and James M. King*, with attachments.

The Company asserts confidentiality pursuant to Puc 201.06(a)(15), as governed by
the procedures described in Puc 201.06 and Puc 201.07.

The Company also requests a waiver of the requirement in Puc 1603.05(a)(1) to file
clean and redlined versions of illustrative tariff pages because a key team member
responsible for preparing the tariff pages has been out of the office for some time dealing
with family medical issues, and the remaining team members have been fully occupied with
other matters.

The Commission "shall waive the provisions of any of its rules … if the commission
finds that: (1) The waiver serves the public interest; and (2) the waiver will not disrupt the
orderly and efficient resolution of matters before the commission." Puc 201.05(a). When
considering whether a waiver request serves the public interest, "the commission shall waive
a rule if … [t]he purpose of the rule would be satisfied by an alternative method proposed."

Puc 201.05(b). The Company will make every attempt to file the illustrative tariff pages prior to the June 28, 2023, hearing.

Pursuant to the Commission's March 17, 2020, secretarial letter, only an electronic version of this filing will be provided. Thank you.

Sincerely,

Michael J. Sheehan
