**Re: Docket No. DE 23-044; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
2023 Default Service Solicitations**

Dear Chairman Goldner:

At the June 28, 2023, hearing in the above docket, the Commission identified an error in the Energy Service Reconciliation Adjustment Factor for the small customer group.

On behalf of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty, attached are a confidential and a redacted version of the revised schedule that corrects this error (Line 14) and that calculate \$0.12612 as the proposed small customer group default service rate that the Company asks the Commission to approve (Line 21). The Company will provide the confidential Excel file under separate cover.

Although not addressed at hearing, the Company has taken the liberty of designating these documents as Confidential Exhibit 6 and Exhibit 7. Thank you.

Sincerely,
