Mr. John Dwyer Senior Relationship Manager TD Bank, N.A. 200 State Street Boston, MA 02109

RE: Written notice per Section 6(c)(v) of the Master Loan Agreement between Pennichuck Corporation (the "Company" or "Pennichuck") and TD Bank, N.A. (the "Bank")

Hi John,

Pursuant to section 6(c)(v) of the Loan Agreement, dated June 25, 2014 (the "Agreement") I am supplying you with the requisite written notice of the Company's intent to secure \$744,775 of term financing, as repayment of draws for 2022 Capital Projects funded from the \$3.0 million Fixed Asset Line of Credit ("FALOC"), from CoBank, ACB for its wholly-owned Pennichuck East Utility, Inc. subsidiary ("PEU"). In accordance, with this section of the Agreement, the Company is allowed to borrow up to \$1.5 million per annum from CoBank, ACB or equivalent lender, in order to provide for capital project financing for its Pennichuck East Utility, Inc. or Pittsfield Aqueduct Company, Inc. subsidiaries, without prior written consent from the Bank. In lieu of this consent requirement, the Company must provide 30 days prior written notice of the Company's intent to enter into said financing, which is not set to close until late July or early August 2023.

Pennichuck's and PEU's boards of directors have voted upon resolutions authorizing management to procure said financings on behalf of PEU.

The Company is currently submitting a financing petition to be filed with the NH Public Utilities Commission, as well as a request for shareholder approval has been requested from the Company's sole shareholder, the City of Nashua. Pursuant to the Company and PEU receiving these approvals, PEU will enter into this new term debt obligation, in the third quarter of 2023.

As described above, the aggregate \$744,775 is comprised of the amount needed to reimburse and repay amounts drawdown on the FALOC with CoBank during 2022 and early 2023 for funds used for capital expenditures used and useful through the end of 2022, which was not otherwise funded from State Revolving Fund or NH Drinking Water and Groundwater Trust Funds loans or grants. This term loan, as a repayment to the FALOC, is the annual "clean out" or paydown of the FALOC with new term loans from CoBank, for assets financed and placed in service by December of the preceding year. This is consistent with the Company's approved rate

structure as approved by the NH Public Utilities Commission, in Orders No. 26,179 (Docket DW 17-128) and No. 26,586 (Docket No. DW 20-156).

I am requesting either written consent from the Bank for this borrowing, or a written response indicating that this letter suffices as prior written notice of borrowed amounts that do not exceed the \$1.5 million per annum borrowing limitation as specified in Section 6(c)(v) of the Master Loan Agreement.

Thank you for your time in reviewing and accepting this written notice, in conformity with the Agreement.

Sincerely,

/s/George Torres

George Torres Chief Financial Officer Pennichuck Corporation

PENNICHUCK EAST UTILITY, INC.

Mr. Steven A. Bolton Corporation Counsel City of Nashua 229 Main Street Nashua, NH 03060

Re: Pennichuck East Utility, Inc. – Request for Approval of Term Loan with CoBank, ACB

Dear Attorney Bolton:

<u>Introduction</u>. As you know, the City of Nashua, New Hampshire (the "City") is the sole corporate shareholder of Pennichuck Corporation ("Pennichuck"). The City has been the sole shareholder since the acquisition of Pennichuck on January 25, 2012.

The purpose of this letter is to request that the City, acting in its capacity as sole shareholder, approve resolutions authorizing Pennichuck's regulated public water utility subsidiary, Pennichuck East Utility, Inc. ("PEU"), to enter into a term loan with CoBank, ACB ("CoBank").

Background. As part of the City's acquisition of Pennichuck, in accordance with special legislation enacted by the State Legislature, and as unanimously approved by the Mayor and Board of Aldermen on January 11, 2011, the corporate structure of Pennichuck and its utility subsidiaries was retained. This corporate structure was retained for several reasons. First, the Mayor and Board of Aldermen desired to maintain stability and continuity for customers and employees of the Pennichuck utilities and the communities they serve. Second, retaining the corporate structure provided continuity for the existing relationships with regulatory agencies and financial/banking partners. Third, the Mayor and Board of Aldermen unanimously agreed that the corporate structure would encourage business-smart decisions and rely upon well-established governance principles of corporate law, pursuant to Pennichuck's Articles of Incorporation and its by-laws.

<u>Shareholder Approval of Borrowings Required</u>. Under Article IX of Pennichuck's Articles of Incorporation, the City, acting in its capacity as Pennichuck's sole shareholder, must approve:

"(3) any action to (A) create, incur or assume any indebtedness for borrowed money or guarantee any such indebtedness of any person, (B) issue or sell any debt securities or warrants or other rights to acquire any debt securities of the [Pennichuck] Corporation or any of its Subsidiaries, or (C) guarantee any debt securities of any person."

Proposed Term Loan Borrowing from CoBank

PEU is a New Hampshire public utility corporation providing retail water service to approximately 8,640 customers in the New Hampshire towns of Atkinson, Barnstead, Bow, Chester, Conway, Derry, Exeter, Hooksett, Lee, Litchfield, Londonderry, Middleton, Pelham, Plaistow, Raymond, Sandown, Tilton, Weare and Windham. PEU is wholly-owned by Pennichuck which, in turn, is wholly-owned by the City.

PEU has entered into a Master Loan Agreement with CoBank dated as of February 9, 2010 (the "Master Loan Agreement"), which provides the framework for CoBank to make loans to PEU from time to time. A copy of the Master Loan Agreement is attached to this letter as <u>Attachment A</u>.

PEU requests the City's approval for PEU to enter into a term loan with CoBank in an amount of up to \$800,000 with an amortization period of up to 25 years, with an interest rate to be determined based on market conditions (currently estimated at approximately 7.25% per annum). This term loan will be used to paydown and refinance amounts used to fund 2022 capital expenditures, not funded by SRF or DWGTF loans and/or grants or 0.1 DSRR funds. A copy of the CONFIDENTIAL term sheet for the term loan with CoBank is attached to this letter as Attachment B.

The CoBank loan will be secured by (i) a security interest in PEU's equity interest in CoBank (consisting of PEU's \$287,202 earned equity investment in CoBank from patronage dividends received since 2010, and PEU's right to receive future patronage dividends), and (ii) the unconditional guarantee of PEU's obligations to CoBank by Pennichuck pursuant to the Guarantee of Payment (Continuing) dated as of February 9, 2010 between Pennichuck and CoBank (the "Guaranty Agreement"), a copy of which is attached to this letter as Attachment C.

<u>The Lender – CoBank, ACB</u>. CoBank is a government sponsored enterprise ("GSE") owned by its customers, who consist of agricultural cooperatives, rural energy, communications and water companies and other businesses that serve rural America. As a GSE, CoBank issues its debt securities with the implicit full faith and credit of the United States Government and uses these low-cost funds to make loans to companies like PEU that meet its charter requirements. As a result of the implicit backing of the U.S. Government, CoBank's borrowing costs are lower than commercial banks and financial institutions, and these lower costs are passed on to its borrowers. In addition to the lower rates, CoBank loans generally have fewer covenants or restrictions as compared to loans from commercial banks and other financial institutions.

<u>Approval by Pennichuck and PEU</u>. The CoBank loan and guaranty, have been approved by the Board of Directors of Pennichuck and PEU. Pennichuck recommends that the City authorize (i) PEU to enter into the loan with CoBank; and (ii) Pennichuck to guaranty the loan.

Lower Costs Are Good for Customers. Pennichuck and its Board of Directors have determined that this refinance of the CoBank loan, will allow PEU to continue to provide safe, adequate and reliable water service to their customers on a cost-effective basis. The terms of the loan are favorable compared to other alternatives and will result in lower financing costs and/or avoid the negative impact of the Company's inability to pay the balloon maturity sum due without this refinance.

<u>Other Approvals</u>. As a regulated public utility, PEU must obtain approval of the term loan from the New Hampshire Public Utilities Commission ("NHPUC"), which will approve the term loan if it finds the loan to be consistent with the public good. PEU has filed a petition for approval with the NHPUC contemporaneously with this notice to the City and expects the NHPUC to consider the petition promptly.

<u>Requested Approvals</u>. For the reasons described above, Pennichuck respectfully requests that the City, acting in its capacity as sole shareholder of Pennichuck and pursuant to Article IX(3) of Pennichuck's Articles of Incorporation, authorize the following actions:

RESOLVED, that the City hereby approves the loan to Pennichuck East Utility, Inc. from CoBank, ACB, in an amount of up to \$800,000, with a 25-year amortization schedule; and

FURTHER RESOLVED, that the City hereby approves the guaranty by Pennichuck Corporation of the payment by Pennichuck East Utility, Inc. of the loan authorized in the prior resolution; and

FURTHER RESOLVED, that the City hereby authorizes Pennichuck Corporation and Pennichuck East Utility, Inc., their Boards of Directors, and their Officers, to take any and all actions required to obtain all necessary approvals with respect to the actions described in these resolutions and to execute and deliver such documents as are necessary to affect the CoBank loan, and the guaranty described in these resolutions.

Res	pectfully submitted,
