**Re: Unitil Energy Systems, Inc.
Docket No. DE 23-054; Compliance Tariff**

Dear Clerk:

On behalf of Unitil Energy Systems, Inc. ("UES"), enclosed by electronic filing only is a copy of the following tariff pages, filed in compliance with NHPUC Order No. 26,850 in the above referenced proceeding. These pages are for effect August 1, 2023.

NHPUC No. 3 – Electricity Delivery, Unitil Energy Systems, Inc.

Thirty-Fourth Revised Page 74, Calculation of the Default Service Charge [Non-G1 Class]

Forty-Fifth Revised Page 75, Calculation of the Default Service Charge [G1 Class]

To provide clarification with what has changed on these approved pages, UES hereby resubmits the redline versions of these pages which were previously included in what has been marked as Exhibits 1 and 2. Please note, that aside from the required approval designation listed in the line at the bottom of each of these pages, no other changes have been made compared to what UES included with its initial filing, dated June 9, 2023, in this docket.

In addition to these filed tariff pages, changes to UES's Summary Of Whole House Residential Time Of Use Rates And Electric Vehicle Rates, tariff Page 5-A , and Summary of Low-Income Electric Assistance Program Discounts, tariff Page 6, for effect August 1, 2023 are also necessary, as the revisions to tariff page 74 affect amounts on these pages. Changes to pages 5-A and 6, however, are currently pending in DE 23-057 for effect August 1, 2023. Therefore, UES will incorporate all approved August 1, 2023 rates in the tariff compliance filing it makes in DE 23-057.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads "Karen M. Asbury".
