**Re: Unitil Energy Systems, Inc.
Docket No. DE 23-054; Compliance Tariff**

Dear Clerk:

On behalf of Unitil Energy Systems, Inc. ("UES"), enclosed by electronic filing only is a copy of the following tariff pages, filed in compliance with NHPUC Order No. 26,910 in the above referenced proceeding.

NHPUC No. 3 – Electricity Delivery, Unitil Energy Systems, Inc.

Ninth Revised Page 5A, Summary of Whole House Residential Time of Use Rates and Electric Vehicle Rates
Eighty-Third Revised Page 6, Summary of Low-Income Electric Assistance Program Discounts

These pages are for effect February 1, 2024. In its December 19, 2023 compliance filing in this docket, UES stated it would file these tariffs, specifically the Summary of Whole House Residential Time Of Use Rates And Electric Vehicle Rates, tariff page 5-A, and Summary of Low-Income Electric Assistance Program Discounts, tariff page 6, once it received approval of its January 1, 2024 rates in DE 23-098. UES submitted its compliance tariffs in DE 23-098 on December 27, 2023.

The rates shown on Page 5A were submitted as part of what has been marked as Exhibit 5, and UES has attached the supporting pages. The low-income electric assistance program discounts shown on Page 6 were determined by applying the effective discount percentages, per Order No. 26-870 in DE 22-043, to the approved residential default service charge approved in the current docket.

Thank you for your attention to this matter.

Sincerely,
