UNITIL ENERGY SYSTEMS, INC.

2023 Default Service Schedule

COMMENCEMENT OF ADJUDICATIVE PROCEEDING AND NOTICE OF HEARING

On May 17, 2023, Unitil Energy Systems, Inc. (UES) filed a notification of its proposed 2023 default energy service schedules. The schedules indicate the dates for: (1) the issuance of requests for proposals (RFPs) for power supply; (2) the submission of indicative and final bids; (3) the filing of proposals with the Commission; and (4) the issuance of the anticipated Commission orders on petitions for approval. UES provided the applicable information for the six-month period beginning August 1, 2023 and the six-month period beginning February 1, 2024. The initial filing and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at <https://www.puc.nh.gov/Regulatory/Docketbk/2023/23-054.html>.

I. BACKGROUND AND PROCEDURAL HISTORY

UES conducts its default service solicitations pursuant to the process approved by the Commission in Order Nos. 24,511 (September 9, 2005) and 24,921 (December 12, 2008), as modified by Order No. 25,397 (July 31, 2012) and Order No. 26,679 (September 9, 2022). In Order No. 25,397, as modified by Order No. 26,679, the Commission approved UES's proposal to conduct its energy service procurement process as follows: (1) the default service period for customers taking energy service supply from UES begins on August 1 and February 1 of each year; (2) for G1 (large commercial and industrial) customers, pricing is based on variable monthly prices and

solicitations occur every six months; and (3) for non-G1 (residential, small commercial, and outdoor lighting) customers, solicitations occur every six months, and pricing results in fixed monthly rates for the six-month period. In addition, for non-G1 customers, the load is separately acquired, and priced, for both the residential customer group and the small commercial and outdoor lighting customer group. For G1 customers, UES solicits variable pricing that passes through energy costs in the form of real-time locational market prices for the New Hampshire Load Zone, together with fixed monthly adders incorporating capacity costs and ancillary costs as well as a risk margin for the wholesale supplier serving this load.

On May 9, 2023, UES issued an RFP for energy service power supply for all three customer groups (i.e., large commercial and industrial, small commercial and outdoor lighting, and residential) for the six-month period beginning August 1, 2023. UES will file a petition requesting approval of this solicitation on June 9, 2023, and has requested that the Commission issue an order by June 16, 2023. UES will issue the second RFP on October 31, 2023 for the six-month period beginning February 1, 2024. UES will submit the associated regulatory filing on December 1, 2023 and has requested that the Commission issue an order on the solicitation by December 8, 2023.

II. ISSUES PRESENTED

The filing presents, *inter alia*, the following issues: whether the power supply procurement is consistent with RSA 374-F:3, V(c)-(e) and Order Nos. 24,511, 24,921, 25,397, and 26,679; and whether the rates are just and reasonable as required by RSA 374:2, RSA 378:5, and RSA 378:7.

The Commission will be conducting any hearings scheduled in this matter in person. The Commission will consider requests to conduct hearings using a hybrid

format to permit remote participation by a specific individual only if the Commission has determined that a sufficient reason has been provided for why that individual would be unable to attend in person. Any party requesting that a specific individual be permitted to participate remotely should file a written request with the Commission's Clerk's Office no later than fifteen (15) days prior to the hearing date. If the Commission determines that one or more individuals will be permitted to appear remotely, then individuals in the Commission's hearing room, including the Commissioners, will be broadcast on a web-enabled platform.

Based upon the foregoing, it is hereby

ORDERED, that an adjudicative proceeding be commenced for the purpose of reviewing and resolving the foregoing issues pursuant to RSA chapter 541-A, RSA 374-F:3, V(c)-(e), RSA 374:2, RSA 378:5, and RSA 378:7, Order Nos. 24,511, 24,921, 25,397, and 26,679, and the Commission's procedural rules; and it is

The petition shall state the facts demonstrating how the petitioner's rights, duties, privileges, immunities, or other

substantial interests may be affected by the proceeding, consistent with N.H. Admin. R., Puc 203.17; and it is

FURTHER ORDERED, that any party objecting to a petition to intervene make said objection on or before June 12, 2023; and it is

FURTHER ORDERED, that parties shall file any proposed exhibits, written testimony, motions, or other documents intended to become part of the record in this proceeding with the Commission.
