**Re: PETITION FOR APPROVAL OF DEFAULT SERVICE  
SOLICITATION AND PROPOSED DEFAULT SERVICE TARIFFS  
Docket No. DE 23-054**

Dear Chair Goldner:

On behalf of Unitil Energy Systems, Inc. (“UES” or the “Company”), enclosed by electronic filing only is a Confidential and Redacted copy of “Petition for Approval of Default Service Solicitation and Proposed Default Service Tariffs.” The Petition requests that the New Hampshire Public Utilities Commission (“Commission”) approve UES’s solicitation and procurement, for the period beginning February 1, 2024, of 100 percent of its Default Service (“DS”) power supply requirements for its Non-G1 and G1 customers for six months, and approve the proposed tariffs incorporating the results of this solicitation into rates.

In support of the Petition, the filing includes the pre-filed direct testimony and schedules of:

1. Jeffrey M. Pentz, Senior Energy Analyst, Unitil Service Corp.
2. Linda S. McNamara, Senior Regulatory Analyst, Unitil Service Corp.

As discussed in the testimony of Mr. Pentz, UES selected Constellation Energy Generation (“Constellation”) as the winning bidder of the small customer (Non-G1)

supply requirement (100% share), Constellation as the winning bidder of the medium customer (Non-G1) supply requirement (100% share), and Nextera Energy Marketing, LLC (“Nextera”) as the winning bidder of the large customer (G1) supply requirement (100% share). All three transactions are for a period of six months. UES believes that Constellation and NextEra offered the best overall value in terms of both price and non-price considerations for the supply requirements sought.
