**RE: Unitil Energy Systems, Inc.
Docket No. DE 23-057; Compliance Tariff**

Chairman Goldner:

On behalf of Unitil Energy Systems, Inc. ("UES" or the "Company"), enclosed please find a copy of the following tariff page, which was inadvertently omitted from the Company's August 9, 2023 compliance filing in the above referenced proceeding:

NHPUC No. 3 – Electricity Delivery, Unitil Energy Systems, Inc.
Seventh Revised Page 5-A, Summary of Whole House Residential Time of Use Rates and Electric Vehicle Rates

The Company initially submitted this filing to the Commission on October 17, 2023. However, notwithstanding the fact that service was made to the Commission and all parties to the Docket service list, the filing was not accepted because it was addressed to the Clerk's Office. The Company is therefore refiling its request.

The Company respectfully requests that the Commission re-open this docket for the limited purpose of accepting and approving the enclosed tariff page.

Accompanying the revised tariff page is a redline of the currently effective tariff page, showing the changes. In addition, UES has included six pages from its hearing exhibits in the above referenced docket, providing documentation for the updated rates provided

on the tariff page. UES's initial filing in DE 23-057 focused on rate changes for effect August 1, 2023. The changes included herein incorporate the result of those approved rates, and apply the approved winter ratios (per DE 20-170) to them for UES's Time-of-Use and Electric Vehicle classes, for effect December 1, 2023.

If you should have any questions or comments concerning this filing, please do not hesitate to contact our office. Thank you for your consideration of this matter.

Sincerely,

/s/ Patrick H. Taylor
