RE: Docket No. DE 23-063 - Joint Utilities' Petition for Waiver of Certain Provisions of the
Puc 2200 Rules
Joint utility motion for a prehearing conference and supplemental order of notice

Chairman Goldner:

On February 27, 2024, the Commission issued a procedural order granting an extension of the suspension of the procedural schedule in this docket until today, March 22, while the parties conferred about a potential resolution to the docket. At this time, all parties agree that the docket should continue, and that a new prehearing conference should be held to gain clarity on certain issues. However, the parties likely differ in the reasons for which the prehearing conference is needed, and so multiple parties may be making filings to the Commission regarding next steps.

Accordingly, pursuant to Puc 203.07, please find the attached motion for filing with the Commission on behalf of Public Service Company of New Hampshire d/b/a Eversource Energy; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty, and Unitil Energy Systems, Inc. (collectively, the "Joint Utilities").

Consistent with current Commission policy this filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
