Re: DE 23-063, Joint Utilities, Petition for Waiver of Certain Provisions of the Puc 2200 Rules
Joint Party motion for a supplemental order of notice, testimony, and pre-hearing conference, and to grant additional temporary waivers to Eversource, Unitil, and Liberty Utilities

Dear Chairman Goldner,

Attached for filing, please find a motion of the Community Power Coalition of New Hampshire (CPCNH) and the Conservation Law Foundation (together, the Joint Parties). In light of the need to timely follow on to the Joint Utilities' motion filed on March 22, 2024, CPCNH expedited the filing of this motion. As a result, not all parties had sufficient opportunity to review the Joint Parties' motion in time before it was filed. Parties have indicated that they may submit their own pleadings in response to these motions.

Pursuant to the 7/24/23 Order of Notice in this matter, this filing is only being made electronically by email to the current service list including the Office of Consumer Advocate.

If you have any questions, please do not hesitate to contact me. Thank you.

Yours truly,

Clifton Below
