**Re: DG 23-067; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty  
Request for Change in Distribution Rates-Compliance Tariff**

Dear Chairman Goldner:

On October 31, 2023, the Commission issued Order No. 26,899 in Docket No. DG 23-067 (the "October Order") authorizing Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty ("Company") to implement rates for recovery of \$ 8.7 million attributable to the annual temporary rate increase ("Temporary Rate Increase").

On behalf of the Company, and pursuant to the October Order, enclosed are electronic copies of the "clean" and "redlined" compliance tariff pages which reflect an \$8.7 million increase in the Company's revenue requirement. The tariff pages also reflect rate changes authorized in the Company's Cost of Gas dockets, Order No. 26,898 in Docket No DG 23-076 and Order No. 26,900 in Docket No. 23-084 for effect November 1, 2023.

Additionally, the Company is providing the Revenue Per Customer ("RPC") calculations associated with its Temporary Rate Increase. The RPC was calculated using the "Total TY Revenue for Temporary Rates" as shown in Exhibit 5, bates page 3, less the MEP Premiums, divided by the 2022 Test Year Equivalent Bills.

Please don't hesitate to contact me if you have any questions.

Sincerely,

/s/ James M. King
