Dear Chairman Goldner:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty (the "Company") and in accordance with New Hampshire Public Utilities Commission (the "Commission") Order No. 26,898 (October 31, 2023) in Docket No. DG 23-076, I enclose for filing the Company's (November) calculation of its projected collection of gas costs for the 2023-2024 Winter season ending April 30, 2024

The calculation reflects the estimated November 2023 through April 2024 NYMEX settled forward prices as of November 17, 2023. The resulting projected over collection of approximately \$2,595,769 is 4.38% of the total revised anticipated gas costs for the 2023-2024 Winter season.

The Company elects to decrease the cost of gas rate effective December 1, 2023. The current and revised cost of gas rates are listed in the table below.
