Daniel Goldner
 Chairman
 New Hampshire Public Utilities Commission
 21 South Fruit St., Suite 10
 Concord, NH 03301-2429

Dear Chairman Goldner:

**Re: DG 23-076; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty
 Winter 2023-2024 Cost of Gas – April 2024 Monthly Cost of Gas Adjustment**

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty (the “Company”) and in accordance with New Hampshire Public Utilities Commission (the “Commission”) Order No. 26,898 (October 31, 2022) in Docket No. DG 23-076, I enclose for filing the Company’s April calculation of its projected collection of gas costs for the 2023-2024 Winter season ending April 30, 2024.

The calculation reflects the estimated March 2024 through April 2024 NYMEX settled forward prices as of March 13, 2024. The resulting projected over collection of approximately (\$1,517,914) is (3.55%) of the total revised anticipated gas costs for the 2023-2024 Winter season.

The calculated residential cost of gas rate is \$0.3449 per therm. This is a 32% decrease over the prior month, which is largely caused by the decrease in the projected NYMEX forward settled prices as compared to last month. The actual February consumption also came in much higher than the estimated February consumption, resulting in higher overall winter period sales.

The Company elects to decrease the cost of gas rate effective April 1, 2024. The current and revised cost of gas rates are listed in the table below.

Cost of Gas Rates (\$ per therm)

	<u>Approved Rates</u>	<u>Revised Rates</u>	<u>Change</u>
Residential	\$0.5039	\$0.3449	(\$0.1590)
Residential Gas Assistance Plan	\$0.2771	\$0.1897	(\$0.0874)
Commercial/Industrial High Winter Use	\$0.5037	\$0.3447	(\$0.1590)
Commercial/Industrial Low Winter Use	\$0.5049	\$0.3459	(\$0.1590)

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/Alyssa E. Maston
