LIBERTY UTILITIES (GRANITE STATE ELECTRIC) CORP. d/b/a LIBERTY

Request for Approval of Revenue Decoupling Adjustment

Procedural Order Re: Request to Suspend Procedural Schedule

On December 22, 2023, the New Hampshire Department of Energy (DOE) filed a letter requesting that the Commission suspend the parties' revised procedural schedule, which the Commission approved by procedural order dated November 22, 2023, until Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (Liberty) provided complete responses to the DOE's outstanding data requests. The Commission issued a procedural order on December 27, 2023 requesting that Liberty file an update regarding the status of discovery in the above-captioned docket on or before January 2, 2024.

Liberty filed a response on January 2 stating that "the Company provided all data responses in this docket as of December 22, 2023." Based on Liberty's January 2 response, the DOE's request to suspend procedural schedule is DENIED. Unless amended by subsequent order, the parties' revised procedural schedule remains in effect, and the February 1, 2024 hearing shall go forward as scheduled.

So ordered, this fourth day of January, 2024.
